

Netrunner Assignment #1: Write a Review

1. Learn how to play the game.
2. Play at least 3 games as a Runner and at least 3 games as a Corp. It is recommended that you change/modify the decks each time you play.
3. Read/watch a few reviews of *Android: Netrunner*.

4. Write a review of *Android: Netrunner*. Your review should be written for an audience that is moderately familiar with strategy board and cardgames. Your review should have at least 700 words of text. Feel free to add pictures, etc.
5. Post your review on an existing online game site that is publicly accessible. You don't have to use your real name when you post. A few sites you can consider for posting:
 - a. <http://boardgamegeek.com/>
 - b. <http://boardgaming.com/>
6. Submit a screenshot (of your review posted online) **and** your review (MS Word format preferred) to the class website. Make sure your review has a link to the public online posting.
